Forecast for Sunday 20 Jun 2021

Weather: A cloudy start to the day too with the chance of a some rain showers first thing, especially for the ranges around Arrochar and Loch Lomond. A more definite area of rain will spread southeast during the morning affecting mainly Lochaber and Glencoe and some of Argyll, it will become lighter as it spreads south, but most areas wet by the evening. Rain continuing through the evening period.

Chance of cloud free mountain/hill tops above 800m: 40%, broken low cloud for most ranges in the morning, better conditions for eastern ranges like the Trossachs, more low cloud is likely to build during the afternoon.

Visibility: Generally good visibility below any low cloud, perhaps moderate in rainfall in the afternoon. Low cloud will be broken from 600m and above near Glencoe and Lochaber, more scattered from 900m and above around Arrochar and Loch Lomond.
